

# IEEE SMART GRID SEEKS VOLUNTEER EDITORS FOR IEEE SMART GRID NEWSLETTER EDITORIAL BOARD

---

IEEE Smart Grid is seeking volunteer editors to serve on the IEEE Smart Grid Newsletter Editorial Board.

## **About IEEE Smart Grid Newsletter**

The IEEE Smart Grid Newsletter is a monthly online newsletter dedicated to disseminating information on all matters of interest to electric engineers and other professionals involved in the Smart Grid industry. Its mission is to be the leading provider of scientific and engineering information on Smart Grid technologies for the betterment of society, and the go-to publication for our members.

## **About the Position**

The IEEE Smart Grid Editorial Board's volunteer members have a joint primary responsibility for soliciting feature articles, managing the review process of submitted articles, and selecting articles for inclusion in the newsletter. The individuals will coordinate the production process with the IEEE Smart Grid Newsletter Editor-in-Chief and Co-Editor-in-Chief.

Additional responsibilities may include assistance with assembling the annual media kit and specialized compendia.

## **IEEE Smart Grid Volunteer Editorial Board Qualifications:**

- Knowledge of the Smart Grid industry
- Editorial experience preferred
- Knowledge of the Smart Grid field; including the direction and business and technology developments
- Good working knowledge of experts and leaders in the Smart Grid field
- Familiar with the global geographic diversity
- Experience working with Volunteers
- Experience working with an Editorial Board
