

## Nomination for IEEE Future Directions Committee (FDC) Member at Large

Service Term: 1 January 2022 - 31 December 2023

With possible reappointment to second two year term

Submission Deadline: Monday, 25 October 2021 EOD

Send completed form and/or questions, to [k.l.grise@ieee.org](mailto:k.l.grise@ieee.org).

### **Nominee Information**

Name:

Email:

Title and Affiliation:

Society/Council:

IEEE Region:

Country:

### **Nominating Society or Council Information**

Name of Society or Council President and email: *(Nominee MUST have endorsement of S/C President. Can be current President, President-Elect, or designee.)*

Name, role, and email: *(If acting on behalf of S/C President, please include your name, role, and email.)*

**Note:** This document serves as the nomination for consideration to serve on the IEEE Future Directions Committee (FDC) member at large voting member. Nominations must be submitted directly by either the S/C President or S/C President-Elect, or on behalf of the S/C President with their endorsement.

All voting members of the Committee shall be IEEE members holding a grade of Graduate Student Member, Member, Senior Member or Fellow grade.

Diversity of committee members with respect to such factors as gender, geographical region, and professional sector (academia/industry/other) is strongly encouraged. The committee membership will strive to reflect the diversity of the IEEE membership eligible to serve on this committee. Overall diversity of the Committee will be considered in the selection of these members.

The principal mission of the IEEE Future Directions Committee is to anticipate and determine the direction of existing, new and emerging technologies, and related issues, and to spearhead their investigation and development by IEEE in association with Societies/Councils (S/C's). The emphasis is on new, emerging technical areas either not adequately covered by existing (S/C's), or which overlap the fields of interest of the existing S/C's, taking a collaborative view that would often involve other constituencies.

FDC will hold monthly meetings held via WebEx, with the exception of an expanded FDC meeting held to coincide with the IEEE Meeting Series.

**Nomination for IEEE Future Directions Committee (FDC) Member at Large**

Service Term: 1 January 2022 - 31 December 2023

With possible reappointment to second two year term

Submission Deadline: Monday, 25 October 2021 EOD

Send completed form and/or questions, to [k.l.grise@ieee.org](mailto:k.l.grise@ieee.org).

**Describe nominee's interest in and potential contributions to Future Directions:**

*(Please be specific. The success of Future Directions activities relies in part upon the members of FDC. Members have the opportunity to help influence and shape where Future Directions and IEEE should focus its efforts on current, emerging, and future technologies. May include, but not limited to focus on ethical, legal, and societal aspects. Include examples of possible contributions to supporting current or future FD initiatives, technical expertise, connections, etc.)*

**Nomination for IEEE Future Directions Committee (FDC) Member at Large**

Service Term: 1 January 2022 - 31 December 2023

With possible reappointment to second two year term

Submission Deadline: Monday, 25 October 2021 EOD

Send completed form and/or questions, to [k.l.grise@ieee.org](mailto:k.l.grise@ieee.org).
