

IEEE Smart Grid Resource Center

A Collection of the latest
IEEE Smart Grid Content
Available On-Demand!

Outline

- ❑ What is the IEEE Smart Grid Resource Center (SGRC)?
- ❑ Accessing the IEEE SGRC
- ❑ Benefits to participating IEEE Smart Grid Society Members
- ❑ Finding Content on the IEEE SGRC
- ❑ Downloading and Accessing Content
- ❑ Purchasing Continuing Education Credits (CEUs)

What is the IEEE Smart Grid Resource Center?

The IEEE Smart Grid Resource Center (SGRC) is a database that showcases content generated by our IEEE SG experts including **webinars, tutorials, technical reports, videos, publications** and **presentation slides**

These materials:

- Have been peer created, prepared and reviewed by professionals in the field.
- Are available for download to IEEE members and the public, with a majority **complimentary** for participating IEEE SG Society Members members! 😊

Accessing the IEEE Smart Grid Resource Center

- Access the IEEE SGRC by clicking the 'Resource Center' button on the IEEE Smart Grid Portal:
smartgrid.ieee.org

- Direct URL:
 - resourcecenter.smartgrid.ieee.org
👉 Quick Tip: Bookmark this URL

Benefits to Participating IEEE Smart Grid Society members

- ❑ Interested in a IEEE SG topic?
 - Webinars and tutorials streaming available, with corresponding slides
- ❑ Missed a IEEE SG Workshop or conference?
 - Presentations presented and reports available
- ❑ Need continuing education credits?
 - Available with tutorials and webinars

And more!

Much of the content is complementary or discounted for IEEE Members who are members of participating IEEE Smart Grid Societies.

- For a list of participating societies, click [here](#).

Finding IEEE SG Resource Center Content

- ❑ Content depth
 - Over 600 products from to 2011 present
- ❑ Content Variety Materials range from:
 - Tutorials/Webinars Recordings
 - Slide Presentations
 - Interviews from IEEE SG experts
 - IEEE SG Newsletters
 - Compendiums

...much of the content is complementary! 😊

Accessing Content from IEEE Smart Grid Resource Center

- ❑ Go to: resourcecenter.smartgrid.ieee.org
- ❑ Sign in using your IEEE user name/password
 - Non-IEEE Members can create an account
- ❑ Find content, via:
 - Search
 - Drop down menus
- ❑ Add the items to the cart
- ❑ Check out

... most content is **Complimentary!** 😊

Using IEEE SG Resource Center

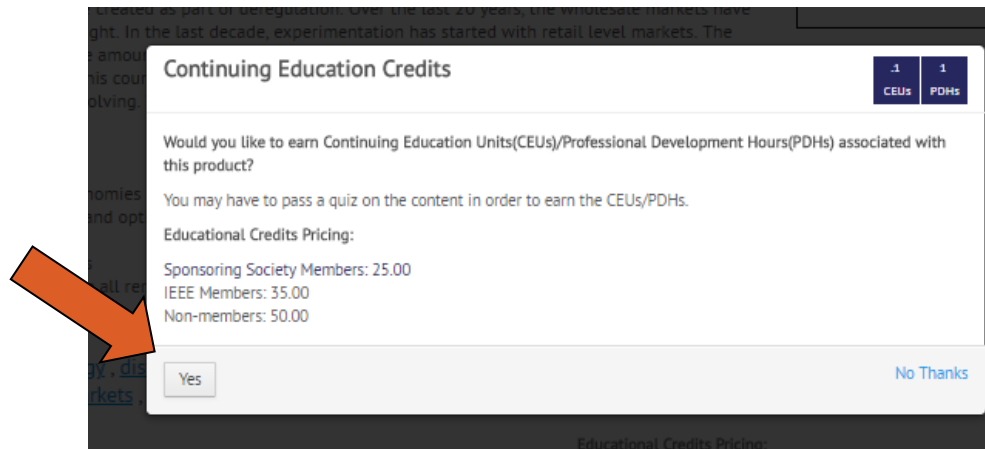

□ Content is divided by type:

- Interviews
- Publications
 - eNewsletters, Compendiums, White Papers & Reports
- Conferences
 - Presentations & Reports
- Education
 - Webinars & Tutorials (Upcoming & Recorded)
 - Slides
 - Videos

Continuing Education Credits

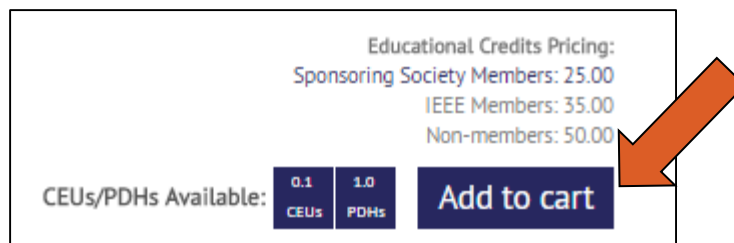

- ❑ Continuing Education Credits (CEUs) are available for all IEEE SG Webinars and Tutorials
- ❑ To purchase a CEU
 - Add Webinar or Tutorial to the cart
 - User will be prompted to add CEU to cart

Continuing Education Credits

- ❑ To purchase a CEU (cont)
 - For previously purchased content:

Go to product page, click on “Add to Cart” button at bottom right to add CEU

The screenshot shows a section of a website with the following text and elements:

- Educational Credits Pricing:**
 - Sponsoring Society Members: 25.00
 - IEEE Members: 35.00
 - Non-members: 50.00
- CEUs/PDHs Available:** Two buttons labeled **0.1 CEUs** and **1.0 PDHs**.
- Add to cart** button: A dark blue button with white text, highlighted by a red arrow pointing to it from the right.
